Contract Proposal

BILL TO:

Town of Grafton senior Center project

518.960.8066 info@cokelyproperty.com cokelyproperty.com

DATE:4/8/2024

DESCRIPTION	AMOUNT
Flash cupola base on top of senior center with aluminum to prevent future water damage	
Rebuild approx 4ftx4ft cupola with a 4 sided pyramid roof built to same dimensions as old one	
Same architectural style will be replicated however we suggest building out of pvc for the base to reduce maintenance ie painting and scraping every so many years. roof will be architectural shingles 41yr product	
Total labor for cupola construction and installation	\$1,100
Reinstall siding 3 pieces that blew off in storm	\$100
Dig and pour 2- 12" sono tubes 4' deep with 6x6 post directly into the hole with cement for the two main gate supports in trash and recycling bin area	
Purchase two new fence panels to match existing fence and custom make a new double swing gate door aprox 10' in length and 6' in height	
Fence panels are typically dry so we will stain with an oil based stain of the towns choosing included in labor	
Stain existing fence to match newly built gate and trim anything as needed	\$1,400
Remove all water damage sections of tape	
All materials needed to complete these projects we intend to put on the town of Graftons account with Curtis lumber and turn in all receipts upon completion.	
TOTAL	\$2,600

Thank you for your business.

THIS MONTHLY REPORT OF MARRIAGE LICENSES ISSUED MUST BE TRANSMITTED TO THE STATE DEPARTMENT OF HEALTH AT THE ABOVE ADDRESS FOR EACH MONTH regardless of whether or not any licenses were issued. If no licenses were issued, indicate NONE in the space provided for license numbers.

The issuance of a marriage license makes you responsible for the remittance fee of \$22.50, regardless of whether or not the marriage ceremony is ever performed.

Marriage licenses must be numbered and reported consecutively throughout the year starting with number 1 at the beginning of EACH calendar year.

Pursuant to the authority of Section 19 of the New York State Domestic Relations Law, the Commissioner of Health has directed that this report, together with any fee must be transmitted to the State Department of Health by the 15th of the month following the month which the report covers.

New York State Domestic Relations Law 22 provides that any Town or City Clerk who violates or fails to comply with any of the above mentioned reporting or filing requirements, shall be deemed guilty of a misdemeanor and shall pay a fine not exceeding the sum of one hundred dollars on conviction thereof.

Grafton Community Library Director's Report May 13, 2024

Activities – April 1 to May 4, 2023

Statistics - April 2024

Checkouts – 669 Books 260 E-books

Hoopla -Participants: 41

Patron Visits: 333 Adults, 7 Teens, 45 Children

Meagan Salisbury, staff, attended "Greatest of All Time" teen conference and training hosted by Upper Hudson Library System at the East Greenbush Library. This was a state wide conference on ideas for attracting teens to libraries.

Current session of Zumba ends on March 20. A new session will be scheduled for Fall.

Summer Reading Program will kick off at the Town Picnic on June 9th.

Run For The Roses fundraiser will be held on August 11th.

Respectfully, Leanna Director, Grafton Community Library Town of Grafton Rensselaer County, New York NOT SURE IF THIS WILL BE ACTED ON

Resolution #44 of 2024

Resolution 44 of 2024, Support of the Road Stream Crossing Survey Evaluation and Prioritization Project Provided by Trout Unlimited, Cornell Cooperative Extension and Rensselaer County Soil and Water Conservation District.

At the regular monthly meeting of the Town of Grafton Town Board, held at the Grafton Town Hall, Grafton, NY duly called and held on the 13th day of May 2024, the following Resolution was proposed by and seconded by:

WHEREAS, the Trout Unlimited team has been working with the Town of Grafton to develop a Road Stream Crossing Management Plan for the Town of Grafton that is designed to help improve community and ecosystem resiliency by identifying high priority road stream crossing replacement projects that reconnect high quality aquatic habitat and improve community flood resiliency and road infrastructure condition within the Town; and

WHEREAS, the scope of the project included an inventory of all state, county, town and private road stream crossing, aquatic passage and hydraulic modeling of the data, prioritization of results using multiple objectives and the development of conceptual and shovel ready designs and cost estimates for highest priority projects, and

WHEREAS, the Town will utilize this survey evaluation and prioritization for the following main purposes: first, to have plans for priority culvert replacements; second, to have the inventory data available for future culvert replacement planning; and additional benefits will include having the inventory available for potential grant opportunities related to culvert replacements and for environmental considerations, and

WHEREAS, the Town desires to incorporate this survey evaluation and prioritization in any long-term road maintenance plans and in considering standards for new roads and driveways and to also provide a resource for the Highway Superintendent and Town Board with identifying and prioritizing future projects and annual budgets; and

WHEREAS, the Town Board intends to make the Road Stream Crossing Management Plan available on the Town's official Website as well as to incorporate the Plan in future updates of other Town plans and policies including the Town's Comprehensive Plan as the Town Board deems appropriate;

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Grafton fully supports and approves the project performed by Trout Unlimited and will make use of the results of the project in the form of a Road Stream Crossing Management Plan as stated aforesaid.

Description of Work to be Completed	Cost Including Materials
Install Aprilaire V22BEC ERV in attic to ventilate the town vault, which is filled with mostly paper documents and has a dehumidifier. This includes all insulated ducting and creating exhaust and intake vents at the side of the building and in the vault's ceiling.	\$2,725
Run code compliant electrical wiring from the panel service in the utility closet with an appropriately sized breaker. Install GFCI and power switch to allow for powering the unit on/off and servicing the unit with any necessary tools, such as a vacuum.	\$620
One year of maintenance and inspection of the system, with written reports.	\$75
Total	\$3,420

Payment is due within 5 business days of work completion via paper check (made out to Render, Inc.), cash, or credit/debit card. If you decide to pay by credit or debit card, a payment link will be texted or emailed to you and there is an additional 1.25% fee. A final invoice can be provided upon request.

Energy Recovery Ventilator

Installed By: Installer Phone: Date Installed:

ENERGY RECOVERY VENTILATION

Thank you for your purchase of the AprilAire Energy Recovery Ventilator (ERV). Your ERV is designed to remove indoor air pollution and provide fresh air to the home. There is increasing evidence that the air in our homes is more polluted than once thought. Research indicates that people spend approximately 90% of their time indoors, potentially breathing polluted, stale, recirculated air. This poses a health risk, and while the levels of pollutants from individual sources may not pose a significant risk to health by themselves, most homes have multiple sources of pollutants, which can have a cumulative effect. Your ERV will work to provide a supply of fresh air to your home and remove indoor air pollution.

The AprilAire Energy Recovery Ventilator uses the indoor stale exhaust air to precondition the incoming fresh air, depending on the season. For example, during the heating season, the cross-flow design of the core uses the warm, stale air being exhausted to pre-heat the incoming cool, fresh air, reducing the energy required by the heating system to maintain comfort

This same process removes heat and moisture from the incoming air during the summer. The ERV provides a year-round comfortable and healthy environment for your entire home with minimal maintenance requirements and trouble-free, quiet operation.

SAFETY INSTRUCTIONS

WARNING

ELECTRIC SHOCK HAZARD: 120 volts may cause serious injury from electric shock. Disconnect electrical power to the HVAC system and ventilator before servicing. Leave power disconnected until service is completed.

Product Info & Digital Manual

OPERATING INSTRUCTIONS

The Energy Recovery Ventilator features a three-position speed switch, with I or II settings used for establishing continuous operation mode or the **STANDBY/OFF** mode. When the on/off switch on the ERV is turned to I, your home will receive a constant supply of fresh air.

The ERV operation can also be controlled with an AprilAire Thermostat with IAQ Control or an AprilAire Model 8120X Ventilation Control, allowing ventilation to occur on a schedule. Consult your installing contractor for more information about the AprilAire Thermostat with IAQ Control. If the ERV is to be controlled by an external control, move the speed switch to the STANDBY/OFF mode.

MAINTENANCE

- Unplug the unit before opening the access panel and performing maintenance.
- 2. Dirty filters increase air resistance in the system and can reduce air flow. Clean or replace the filters as often as required, but at least 3 to 4 times per year. Clean the filter with running water or a vacuum cleaner. Ensure the filters are dried prior to reinstallation.
- 3. To maintain the high heat exchange efficiency, regular cleaning of the core is required. To clean the energy recovery core, remove the two screws that secure the core, and pull the core out of the unit. Gently clean the air passages by using a vacuum with a soft brush attachment. The core can also be cleaned with ONLY water if needed. Do not use sharp objects, abrasive detergents, or aggressive solvents as these can cause damage to the core. Make sure that the energy recovery core is dry, and re-install it in the unit.
- Check the outdoor intake and exhaust vents every six months and clean if necessary.
- Blower compartments should be inspected for debris buildup every six months and vacuumed/cleaned if necessary. No maintenance is required for the blower motor.

LIMITED WARRANTY

Terms of Coverage

Your AprilAire® Ventilator is expressly warranted to be free from defects in materials or workmanship for five (5) years from date of purchase.

What is Covered

The exclusive obligation of AprilAire under this Limited Warranty shall be, at the sole discretion of AprilAire, to supply, without charge, a replacement for any component or product which is found to be defective. A defective part will be replaced pursuant to this Limited Warranty with a genuine AprilAire part defective product will be replaced pursuant to this Limited Warranty with a new AprilAire product of equal or similar features and functionality if the original product has been discontinued or is no longer available.

Not Covered by the Limited Warranty

- Consumable or maintenance products, such as, but not limited to: Air Filters, Evaporative Humidifier Water Panels, Steam Canisters, or Steam Humidifier Electrode Wires.
- Products purchased from third parties that were previously used, such as previously-used products purchased from eBay, similar third party/auction sites, or individuals selling used products.
- Labor charges, shipping costs, removal fees, service fees, or reinstallation costs.
- Materials furnished by the installer.
- Damage caused by misuse, abuse, improper installation, or failing to install, use, or maintain the product in accordance with the instructions provided.
- Damage to HVAC equipment caused by improper installation(s) or misapplication installation(s).
- Modifications, changes, repurposing, or alterations to the AprilAire product.
- · Extended warranties or satisfaction guarantees offered by third parties.
- Cosmetic damage or normal wear and tear, including, but not limited to: scratches, peeling finish, or dents that do not impede the mechanical functionality of the product.
- Damage caused by acts of nature, including but not limited to: fire, collision, flood, wind, power surge, lighting strike, or mold.
- Damage caused during transit.
- Damage caused during installation due to failure to follow local, state, or federal laws, statutes, codes, or ordinances.
- · Damage caused by defects in materials furnished by the installer.

Limit of Liability

IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL BE LIMITED IN DURATION TO THE AFOREMENTIONED EXPRESS WARRANTY PERIOD. APRILAIRE LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, OTHER THAN DAMAGES FOR PERSONAL INJURIES, RESULTING FROM ANY BREACH OF THE AFOREMENTIONED IMPLIED WARRANTIES OR THE ABOVE LIMITED WARRANTY IS EXPRESSLY EXCLUDED. THIS LIMITED WARRANTY IS VOID IF DEFECT(S) RESULT(S) FROM FAILURE TO INSTALL THE PRODUCT ACCORDING TO THE APPLICATION OR IMPROPER INSTALLATION, ALL DISCLAIMERS OF IMPLIED WARRANTY IS SHALL BE EFFECTIVE UPON INSTALLATION.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitation(s) may not apply to your situation. This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Register Your AprilAire® Product

Thank you for choosing AprilAire. Register your product at aprilaire.com/warranty to receive important updates and notifications, and to streamline the process in the unlikely event you file a claim.

Your warranty registration information will not be sold or shared outside of this company.

Make a Warranty Claim

For questions regarding the Limited Warranty or to initiate a claim, contact AprilAire Customer Service at 1.800.334.6011 Monday through Friday, 7:00 a.m. to 5:00 p.m. Central Time.

At the sole discretion of AprilAire, you may be required to: return the product not later than thirty (30) days after the warranty period to the place of purchase of differenced to AprilAire, contact a professional contractor to provide warranty service, submit a product for testing related to a warranty claim, and/or send pictures of the original product with the serial number (if applicable) to AprilAire Technical Support for inspection as a condition to reviewing a claim and/or receiving a replacement product under this Limited Warranty.

AprilAire® is a registered trademark and division of Research Products Corporation, P.O. Box 1467, Madison, WI 53701–1467 USA.
